▷▷ **AUDIENCE**

- **B2B.** Linguaskill helps organisations check the English levels of **individuals and groups of candidates (admissions, graduation, recruitment, progression)**.
- **B2C.** Linguaskill helps university students to prove their level of English in order to go on Erasmus, graduate or apply for a master's degree.

▷▷ **BENEFITS**

▶▶ **Cambridge reliability and quality.**

Developed by assessment experts from Cambridge English, applying leading research and test development methodologies and standards.

▶▶ **Fast results (within 48 hours).**

Linguaskill test results available instantly for Reading & Listening and **in 48 hours for 4 skills.**

▶▶ **Accurate.**

Linguaskill has been trialled by speakers of over 40 languages from 50 countries to ensure the accuracy and reliability of the results.

▶▶ **Flexible.**

It is **modular**. Individual modules can be **retaken within 3 months** to improve the students' overall score.

▶▶ **An online, on-demand test (exam delivery).**

Delivered on a **modern, user-friendly platform** using **cutting-edge testing technology** (supported by artificial intelligence), and the latest **machine-learning techniques**.

▶▶ **Recognition.**

Linguaskill is recognised by **ACLES** (Association of University Language Centres) and **CRUE** (Council of Spanish University Rectors) which are the two main accrediting bodies for foreign languages in Spain. Recognition for Linguaskill is currently high, particularly in **Spain** where **the majority of universities** recognise it.

Linguaskill. The accurate English test with fast results.

▶▶ International focus.

Linguaskill has been launched in more than 50 countries around the world.

▶▶ Customer support.

Comprehensive range of support materials, and **Helpdesk is available to take calls 24 hours a day, seven days a week.**

▶▶ Marking.

The Linguaskill platform provides **automarking***.

▶▶ Adaptive.

Linguaskill is **adaptive**, questions become easier or more difficult depending on an individual's previous answer. The selection of the next question is driven by **Artificial Intelligence**.

▶▶ Type of English.

Linguaskill uses **General and Business English** that is applicable on an international scale and across multiple sectors.

▶▶ In-depth reporting (CEFR).

Linguaskill is accurately mapped to the **CEFR** (it is suitable for **pre A1-C1 and above**) and the **Cambridge English Scale**. It offers institutions and their candidates **accurate, clear, well-designed test reports**.

▶▶ Credible.

We have the **expertise and infrastructure to support, maintain and evolve the product**.

▶▶ Practice / Preparation.

It provides **free online demos and practice tests**.

▶▶ Real world context.

Linguaskill elicit an **authentic assessment of real-life English**, relevant to the contexts that candidates encounter day to day.

*This does not include **Speaking** which is marked by expert Cambridge examiners. Speaking will be automarked in the future.
